- CLASS 8: September 4

About ART:360

ART: 360 is a supplemental art program administered by Cattaraugus-Allegany BOCES and hosted at the Wellsville Creative Arts Center. Each school year, we offer four 9-week sessions held one evening a week and designed for students grades 2-12.

OUR MISSION

The Wellsville Creative Arts Center exists to enhance the quality of life for the people in our community. Its purpose is to provide high quality education through creative programming in a venue that supports a wide range of cultural and community activities. The Arts Center functions through the collaborative efforts of dedicated employees, volunteers, and supporters.

SUMMER CLASSES

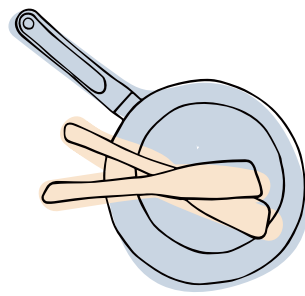

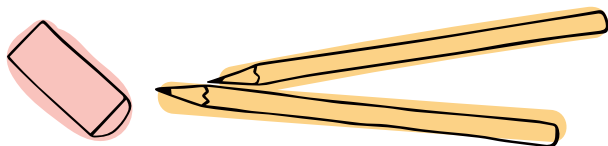

for elementary kids!

Drawing & Painting

CORAH LOROW

An introductory class focusing on 2D with a variety of materials and techniques. Students are encouraged to explore and have fun mixing and making as they are introduced to printmaking, bookmaking, origami, and of course, coloring.

Chef in Training

LYDIA KOEHLER

Students in this class will learn the basics of cooking their favorite foods from learning about kitchen tools, to cracking eggs and kneading dough. The plates will vary between cookies, cakes, pizza, and dinner recipes. Those who take this class will leave with the abc's of cooking.

Little Gardeners: Exploring Plants

SARA SANTAS

A class for the nature lover. In this course students will be introduced to the different stages of plant growth and the conditions required for different plants. Students can expect to experiment with seedlings, cuttings, and a variety of soils in order to answer those unsolved mysteries.

Play with Clay

CHRISTINA RHODES

This is a beginners ceramics class with a focus on handbuilding, both functional and sculptural. Students will learn how to make teacups and bowls and other functional pieces while switching off halfway through to try their hand at building their very own pinch pot creature.
